## Guidance notes on completing the 2013/14 annual return

- 1 You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide\* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you encounter.
- 2 Make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the council, properly initialled and an explanation is provided to the external auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a council member or the Chair, to review your annual return for completeness before sending it to the external auditor.
- 4 Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must notify the external auditor of any change of Clerk, Responsible Finance Officer or Chair.
- 5 Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your council holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the Accounting Statements (Section 1). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide\*.
- 6 Explain fully significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide\* to assist you.
- 7 If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2013) equals the balance brought forward in the current year (Box 1 of 2014).
- 9 Do not complete section 3. The external auditor will complete it at the conclusion of the audit.

---

The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the council so they do not occur again in future years.

**Box 8 'Total cash and short term investments'**

*What is the issue?*

The council have disclosed the amount shown on the bank statements and not the reconciled bank balance in box 8. The council are accounting on the receipts and payments basis and the value disclosed in box 8 should be the same as box 7 'Balances carried forward'. We have reviewed the bank reconciliation and confirm that the reconciled bank balance agrees with Box 7.

*Why has this issue been raised?*

This is a note for the reader of the accounts, and for the Council to ensure that these minor errors do not occur in the future.

*What do we recommend you do?*

The council must ensure in future years that the reconciled bank balance is disclosed in box 8 and not the balance on the bank statements. When accounting on the receipts and payments basis the council should ensure that box 7 equals box 8.
