

HANDFORTH PARISH COUNCIL

DOCUMENT RETENTION POLICY June 2017

1 Purpose: Handforth Parish Council (HPC) requires a wide variety of documents for transacting its business and is committed to retaining these documents in a format and for periods of time that:

Enables HPC to meet its statutory obligations in respect of documents subject to legislation;

- Ensures security of documents;
- Protects employees' privacy;
- Facilitates access to information;
- Optimises the use of storage space;
- Is cost effective; and
- Facilitates destruction of redundant documents.

2 Scope: This Policy applies to users of HPC's information records, both paper and electronic, it includes Councillors and employees.

3 Statutory Requirements: Documents subject to a statutory period of retention are identified by their associated legislation in Annex A.

4 Security of Documents: HPC's records are held in paper and/or electronic format. To minimise the risk of accidental loss of valuable records, masters or copies (as deemed appropriate) of paper-documents will be stored off-site.

5 Employees' Privacy: The privacy of personnel records will be appropriately assured.

6 Availability & Access: All records necessary for HPC's business will be retained for a period of time that reasonably assures the availability of records when needed.

7 Storage Space and Cost: Redundant records may be destroyed in order to reduce the cost of storage, indexing and handling the vast quantity of documents that would otherwise accumulate. Destruction of documents will be undertaken in accordance with the provisions of this Policy to avoid any inference that a document was destroyed in anticipation of a problem.

8 Electronic Storage: Records maintained on electronic data processing storage media will be subject to the same rules of retention and security as paper records.

9 Implementation of Policy: The Clerk will be responsible for the implementation of the Policy.

10 Monitoring & Review of Policy: The appropriate Committee will review the Policy periodically to monitor its effectiveness, taking account of users' comments.
